

## 1 Title

This is a perfect opportunity to get a sense of the story of the most trafficked women in the world, and how a lot of the women are young, and there's a lot more demand than we've seen. Listen the podcast and learn more. In the meantime, here's a link for the others who are worried about the situation in Honduras.

## 2 Author

authors: Vivyan Vivyanne, Vonni Vonnie, Vonny Wallie, Wallis Wally, Waly Wanda, Wandie Wandis

Received November 9, 2014

Accepted November 13, 2014

Published November 13, 2014

Author manuscript

Funding

The authors have no other funding.

Acknowledgments

This work was funded by the National Science Foundation of Scotland (grants IV-ACB0058 and ACB0059).
