**'Cross-talk of alpha tocopherol-associated protein and JNK controls the oxidative stress-induced apoptosis in prostate cancer cells' by Baoyi Zhu, Xiaojuan Li, Yuying Zhang, Chunwei Ye, Yu Wang, Songwang Cai, Huaqiu Huang, Yi Cai, Shuyuan Yeh, Zhenhua Huang, Ruihan Chen, Yiran Tao and Xingqiao Wen**

The above article, published online on 28 November 2012 in Wiley Online Library (wileyonlinelibrary.com), has been retracted by agreement between the authors, the journal Editor-in-Chief, Prof. Peter Lichter, and Wiley Periodicals, Inc. The retraction has been agreed due to errors that were detected in Fig. 6b. Some images were duplicated and erroneously presented as unique. Although the authors firmly stand by the major conclusion of this paper, they believe the most responsible course of action is to retract it.
