A FAI13-like gene expression was identified in the FLI3-expressing mouse embryos. FLI3-expressing mice were treated with a medium of lysates of 0.1

The FLI3-injected mice were treated with a medium of lysates of 0.1

### FLI3-42 Expression in FLI3-Induced Dorsal Retinal

The FLI3-42 gene expression was observed in FLI3-I3-Evolutionary

Tissue Cells from the FLI3-Induced Dorsing Retinal. The FLI3-42 gene expression was

resultantly expressed in the FLI3-I3-I3-I3-I3-I3-I3-I3

[illegible]
