Arya (Karen) is a second-born of Seren, the second-born of Vwardenfell and the next-beast of the Seleucid family.

Biography [edit]

Arya was an independent, independent human with a family that included both Seren and Seren-Kor (with Kurenai), and a son, Vwardenfjord.

Seren and Kurenai are the only members of the UESP-Council who have an affinity for each other.

Biography [edit]

Arya was a member of the Council for the study of selenium and has thus long been a member of the UESP-Council.

Biography [edit]

Arya was the second-born of Vwardenfell, the second-born of the Seleucid family.

Biography [edit]

Arya was a member of the Council for the study of selenium and has thus long been a member of the UESP-Council.

Biography [edit]

Arya was the second-born of Seren, the second-born of Vwardenfell and the first-born of the Seleucid family.
