

1 Title

Grimm of Jaina

2 Author

authors: Patty Paula, Paula-Grace Paule, Pauletta Paulette, Pauli Paulie, Paulina Pauline, Paulita Pauly

9. N. Paz, P. Humboltz, and J. D. Kwon
(2006) Associations between small protein and vascular endothelial-sial integrity and endothelial function in patients with hypertension.
11. N. Shao (2009) The role of endothelial nitric oxide in the pathogenesis of hypertension.
12. N. S. Wong, and L.H. Li (2011) Acute hypertension in the elderly.
13. N. S. Wong, J. C. Li, and N. M. Wang (2011) Immune endothelial responsiveness and endothelial function in patients with hypertension.
14. Cho, J. J. Chen, and T. Zhou (2012) Role of endothelial stress in the development of hypertension. *Journal of Heart and Stroke*.
15. Choi, J. W. Shin, N. Y. Kim, and T. Sun (2014) Association between endothelial dysfunction and endothelial function in patients with hypertension.
16. Choi, J. W. Shin, and J. W. Sun (2015) Potential role of endothelial stress in the development of hypertension. *Cardiovascular Diseases*.
17. Cho, J. W. Shin, T. Sun, and T. Sun (2017) Role of endothelial stress in the development of hypertension. *Cardiovascular Diseases*.
18. Cho, J. W. Shin, and T. Sun (2018) Role of endothelial stress in the development of hypertension. *Cardiovascular Diseases*.
19. Cho, J. W. Shin, T. Sun, and T. Sun (2018) Role of endothelial stress in the development of hypertension. *Cardiovascular Diseases*.
20. Cho, J. W. Shin, T. Sun, and T. Sun (2018) Role of endothelial stress in the development of hypertension. *Cardiovascular Diseases*.
21. Choi, J. W. Shin, and T. Sun (2018) Role of endothelial stress in the development of hypertension. *Cardiovascular Diseases*.
22. Choi, J. W. Shin, T. Sun, and T. Sun (2018) Role of endothelial stress in the development of hypertension. *Cardiovascular Diseases*.
23. Choi, J. W. Shin, T. Sun, and T. Sun (2018) Role of endothelial stress in the development of hypertension. *Cardiovascular Diseases*.
24. Cho, J. W. Shin, T. Sun, and T. Sun (2018) Role of endothelial stress in the development of hypertension. *Cardiovascular Diseases*.
25. Cho, J. W. Shin, and T. Sun (2018) Role of endothelial stress in the development of hypertension. *Cardiovascular Diseases*.
26. Cho, J. W. Shin, T. Sun, and T. Sun (2018) Role of endothelial stress in the development of hypertension. *Cardiovascular Diseases*.
27. Cho, J. W. Shin, and T. Sun (2018) Role of endothelial stress in the development of hypertension. *Cardiovascular Diseases*.

28. Cho, J.W. Shin, and T. Sun (2018) Role of endothelial stress in the development of hypertension. Cardiovascular Diseases.

29. Cho, J. W. Shin, and T. Sun (2018) Role of endothelial stress in the development of hypertension. Cardiovascular Diseases.

30. Cho, J.W. Shin, and T. Sun (2018) Role of endothelial stress in the development of hypertension. Cardiovascular Diseases.

31. Cho, J. W. Shin, and T. Sun (2018) Role of endothelial stress in the development of hypertension. Cardiovascular Diseases.

32. Cho, J. W. Shin, and T. Sun (2018) Role of endothelial stress in the development of hypertension. Cardiovascular Diseases.

33. Cho, J. W. Shin, and T. Sun (2018) Role of endothelial stress in the development of hypertension. Cardiovascular Diseases.

34. Cho, J. W. Shin, T. Sun, and T. Sun (2018) Role of endothelial stress in the development of hypertension. Cardiovascular Diseases.

35. Cho, J. W. Shin, T. Sun, and T. Sun (2018) Role of endothelial stress in the development of hypertension. Cardiovascular Diseases.

36. Cho, J. W. Shin, and T. Sun (2018) Role of endothelial stress in the development of hypertension. Cardiovascular Diseases.

37. Cho, J. W. Shin, T. Sun
