1 Title

To create a Project in Microsoft Office 365 or Office 365 Mobile, you must have an Office 365 Project. This means that you will need to download a free Office 365 Project for Windows Phone 8.1, or you will need to download a free Office 365 Project for Windows Phone 8.1. If you do not have a Project in Microsoft Office 365, you can download it for free from the Microsoft Store.
