"I think it's a disgrace that the New York Times is being used as a propaganda tool by the president," said Rep. Ron Paul, R-Texas. "This is a political campaign, and it's a political issue. It's a political issue. It's a political issue. It's a political issue. If the story is completely false, then my colleagues and I would like to see a retraction. Look, I am a Republican and I vote for our party."
