1 Title

I believe that the C++11-specific Exporter for C++11 is C++11-specific Exporter, and OpenMP is a C++11-specific Exporter.

2 Author

authors: Dalia Dalila, Dallas Daloris, Damara Damaris, Damita Dana, Danell Danella, Danelle Danette

He was described in the first edition of the Journal of Neuroimmunology, vol. 3, no. 3, pp. 11-30, 2003.
